

B270T

Comfort XEE 27,0 m

EN

The GSR B270T renews its performance in the 27 metres height category on 3.5 t vehicles. While maintaining its traditional rigidity and sturdiness, this model introduces several significant elements of innovation offering improved outreach with reduced footprints.

This machine is simple to use and technologically advanced, with stabilizers in extendible variable version, reduced length and horizontal outreach up to 16,0 metres, it confirms the high-quality standards and innovation of GSR products.

GSR
AERIAL PLATFORMS

www.gsrspa.it

- Horizontal outreach until 16,0 m and basket capacity up to 250kg
- Extendible variable stabilization with vertical stabilizers
- 4-stage boom
- Simple and intuitive controls
- Advanced security systems, precise and immediate in use
- Light weight platform but robust in structure
